

Improved Fuel Economy with Restored Performance

Performance Formula®, the premium all-season additive from CLARCOR Engine Mobile Solutions, improves fuel economy 4% on average and as high as 9.6% – *saving your fleet on fuel costs – all year long.*

Performance Formula® All Season –

- Improves fuel economy and restores engine performance
- Cleans and lubricates your engine's fuel system
- Improves cetane for improved starting and smoother running
- Helps prevent fuel gelling in cold weather

For ultimate protection use Performance Formula Injector-Cleaner periodically. Find locations to buy Stanadyne diesel fuel additives on our website: stanadyneadditives.com.
