

# PROTECT YOUR INVESTMENT

## PERFORMANCE FORMULA® INJECTOR CLEANER

Improve and Restore Engine Performance and fuel economy with Stanadyne Performance Formula® Injector Cleaner.

Your diesel is a major investment. Protect its expensive fuel injection system with Stanadyne Performance Formula® Injector Cleaner from CLARCOR. This premium additive will thoroughly clean and protect your injection system from harmful deposits with a one Tank Clean-Up and periodic use.

### Performance Formula Injector Cleaner ...

- *Eliminates and Prevents Internal Diesel Injector Deposits (IDID) that build up in High Pressure Common Rail Injectors*
- *Helps the engine start faster and run smoother*
- *Restores Horsepower & Torque*
- *Improves fuel economy*

For maximum protection, use Performance Formula® All Season or Warm Weather Blend with every fill-up.
